Testimony for Sharon Brown
Of British Sign Language Enabling Service

To whom it may concern,

Please find testimony from ourselves, we are Mobile Support Officers for East Devon District Council.

I have had the pleasure of knowing and working alongside Sharon now for over a year, she is a very friendly, caring and professional person with excellent communication and interpersonal skills, Sharon is focused and committed to the people she works with.

Sharon is a real asset to the Deaf community, people with learning disabilities and also to us as Mobile Support officers.

A handwritten signature in black ink, appearing to read "S.P. Wilson".
