## TESTIMONY

I have known Sharon for nearly two years as a BSL enabler through my profession as a Mobile Support Worker.

Sharon is very proactive in her professional capacity, friendly, compassionate and nothing is too much trouble.

I have worked alongside Sharon and have experienced first hand, how Sharon empowers and enhances the lives of the people she works with.

Sharon is an excellent communicator, works with you and is innovative to new ideas. I have found Sharon's skills and support invaluable during meetings and completing Personal Support Plans. This is critical where accurate information is so important. Sharon not only simplifies my undertaking of these roles, but encourages and develops my relationship with the tenant.

S.Hutter
