

This is my testimonial in support of Sharon Brown.

Sharon is my daughters enabling support worker.

My daughter has many problems from behaviour, learning, health and profound deafness.

Sharon's signing skills are to a very high standard , her ability to work with my daughters needs are very demanding and Sharon adapts exceptional well in supporting her with her special needs and communication difficulties.

Sharon supports in all aspects of everyday life, socially, mentally, health and encourages independence in supporting all of these.

Sharon is an exceptional person, not only in her work but as an individual.

She goes beyond the call of duty.

She is a very special individual.
