Hello Sharon,

Wow! We can't believe how much you smashed your BTMy Donate target by! We have been sent an email confirming that you raised a fantastic £516.72 after completing the Monster Race with your boys! Your support is hugely appreciated by Exeter Deaf Academy, thank you. I am so pleased that yourself, Hayden and Ethan enjoyed the event, your finish line photo is fab!

We will direct your money to the building of our new Academy; which is critical to our future. Designed with deaf students for deaf students the new Academy will be an innovative environment which celebrates student's ability and encourages them to thrive. It will be a place of light, colour, enjoyment, discovery and achievement.

It will be a building that inspires students to fulfil their dreams, showing them they can achieve, and equipping them to live successful and happy lives when they leave us. As you are aware, the new building will be the heart of a new community in Exmouth, bringing deaf and hearing people together in a vibrant shared space.

We would love to keep in touch with you about the future activities and developments of the Deaf Academy, which your donation will help us to provide.

Once again, thank you for your generosity and support. As a token of our appreciation, please accept the enclosed Certificates for you and your boys.

Yours sincerely,
