I have been working with Sharon since I started my new role as Family Support Worker at Brixington Primary School in November. Sharon started working with a new family to our school, the family were very complex and therefore it was essential for all professionals to communicate with each other.

Sharon has been amazing with this family. Sharon was on hand in the home to help in all areas, always doing above and beyond in supporting the family. Sharon is caring, supportive and such a lovely person. Her caring nature is endless shows in how much she does above her role for the family.

Sharon always communicates with professionals whatever time or day ensuring we are all kept up to date with the family.

Any family that have Sharon supporting them are extremely lucky to have such an amazing person to work with them. She is a wonderful person and deserves recognition for all her amazing work.

Yours sincerely
